

Watch July 4th Fireworks Around the USA on Earthcam

Stephanie Crist | July 3, 2017

Happy birthday America! The people at [Earthcam](#) love to show us live events around the globe, and 4th of July fireworks are no exception.

You can view Independence Day parties and celebrations in New York City, Washington DC, Seaside Heights, New Jersey, San Francisco, Seattle, Chicago, and so many more locations! It's pretty cool, so just click here to see the fireworks on [EarthCam](#), and pick the city you want to celebrate with!

And happy 4th of July, y'all!
