

East Coast Snowstorm Live Cameras

Jan 23, 2016

(KING 5) -- Residents from the South to the Northeast are hunkered down inside while a mammoth storm barrels across a large swath of the country.

New York Gov. Andrew Cuomo issued a travel ban for New York City and Long Island, including all travel from New Jersey bridges and tunnels into and out of the city.

Live images from [EarthCam](#) show conditions along the East Coast as a massive storm rolls through.
