

## WATCH: New Year Fireworks 2017: World Live Stream Guide

Brian Dunlop Jan 1, 2017 4:01 am

Excited about 2017? Do you just love watching fireworks burst in the night sky? Just about every major city in the world will be celebrating when the clock strikes midnight and 2017 officially begins. And many people will stand out in the cold for long hours just to see the fireworks spectacle.

But would you rather just stay home? Would you much rather see the fireworks from your computer screen? You can beat the cold and still watch the fireworks from the warmth of your room. There will be live streams all around the world of this year's fireworks celebration. Be aware of time zone differences because if it's New Year's Day in Dubai then that means it's New Year's Eve in New York. Look below to find out how you can see all the fun from the comfort of your computer.

### How To Live Stream New Year's Eve Fireworks From Around The World
