

DONUT SHOP CONSTRUCTION TIME-LAPSE FROM EARTHCAM

Celebrate National Donut Day by watching this time-lapse video of a Krispy Kreme store under construction in Chicago.

COMMERCIAL CONSTRUCTION | June 02, 2017

June 2 is National Donut Day and [EarthCam](#) is sharing its sweet construction time-lapse of a new Krispy Kreme store in Chicago to celebrate! From September 2016 to January 2017, EarthCam's portable streaming video webcam solution was onsite to document progress. See the entire process from start to finish with the professional hand-edited time-lapse.

Chicagoland Restaurants recently signed an agreement to open eight new Krispy Kreme locations throughout Chicago and suburban Cook County in Illinois, and relied on [EarthCam](#) to document construction of the store showcased in the time-lapse movie.
