

Official Whitney Museum of American Art Time-Lapse

May 2, 2015 by kamei21

Since May 2011, the Whitney Museum's location in New York's Meatpacking District has been under construction ... until now. As of May 1, 2015, the \$422 million New Whitney is officially open and you can follow the project from October 2011 – April 2015 with [EarthCam's official time-lapse!](#)
