

EarthCam Delivers Live Views of New Year's Eve Celebrations Around The World

New York (PRWEB) December 29, 2013

Ring in 2014 with parties in Times Square and the world's most exciting locations with EarthCam's annual live webcast of the [New Year's Eve](#) celebrations! Watch the festivities in real-time and hear all the cheers as the clock ticks toward midnight. Join EarthCam's Times Square webcast, beginning on Tuesday, December 31st at 10:00 p.m. EST.

The only way to feel the excitement and energy of New Year's Eve at the world's most iconic destinations is with EarthCam's live streaming video and megapixel webcams located throughout the "Crossroads of the World" in New York City and other major cities including Bangkok, Istanbul and Sydney. Join the nearly one million people who gather in the Big Apple for the biggest party of the year. Perched high above the crowds, EarthCam's webcams deliver unique perspectives of this symbolic center of the city and highlight what this night is all about, including an exclusive view of the famous New Year's Eve Ball.

EarthCam gives viewers an all-access pass to join parties around the world and celebrate for over 18 hours in locations throughout the US and internationally. Viewers are invited to see the festivities in real-time from Sydney, Dublin, Transylvania, Rio de Janeiro and many more! Take a tour from coast to coast and celebrate the arrival of the New Year in cities including Miami, Las Vegas, New Orleans and Chicago.

On the go? Celebrate New Year's Eve from anywhere with [EarthCam's exclusive New Year's mobile application](#). Users will see views from the live streaming cameras, allowing them to bring the sounds of Times Square and over 40 other locations with them wherever they go. The app offers a virtual countdown clock to track the minutes until midnight in each city. Users can pull up an interactive map to pinpoint their location and see how far they are from one of EarthCam's Times Square cameras. Users can also step into a virtual photo booth, wear fun costumes and instantly send the pictures to their friends via Facebook and Twitter. Another cool feature of this app is the ability to ring in the New Year by turning any iPhone into a New Year's party noise maker, with special sound effects including horns, cheers and the classic Auld Lang Syne.
