

## Facebook Messenger, we see how stupid the AI chatbot

*By Candido Romano April 19, 2016*

Notice a common thread ? By Poncho in Naples , Milan and New York time is “ cloudy” , ie “ cloudy “ Too bad that according to the members of IBTimes Italy present at the site , in Milan today April 19 there is not a cloud in the sky . This is instead a screen of Manhattan , New York , made today from a real-time video on [EarthCam.com](http://EarthCam.com) site.
