

## Travel Webcam of the Week: Washington, DC

February 22, 2016 Johnny Jet

[Washington, DC \(earthcam.com/usa/dc/nationalmall/?cam=nationalmall\)](http://earthcam.com/usa/dc/nationalmall/?cam=nationalmall)

I just returned yesterday from the nation's capital! The weather was unseasonably warm and the cherry blossoms are getting ready to bloom in a few weeks. For when they do, make sure you bookmark [EarthCam's](http://EarthCam.com) National Mall Cam, located on the Smithsonian Castle's North Flag Tower. The camera offers sweeping views of Washington, DC, from the Washington Monument to the US Capitol Building.
