

Travel Webcam of the Week: EarthCam's Eiffel Tower Webcam

Johnny Jet July 27, 2015

The screenshot displays the EarthCam website interface for the Eiffel Tower webcam. At the top, the EarthCam logo and 'Eiffel Tower Cam' title are visible. A 'LIVE' badge is in the top left corner of the video player. The main video shows a clear view of the Eiffel Tower against a blue sky with some clouds. Below the video, the date 'September 1, 2015' and time '4:07 pm' are shown, along with a temperature of '68°F' and '6584 Likes'. A 'RELATED CAMS' section offers various viewing options: 'Stream', 'Jpeg', 'Hella, IS', 'Aqaba, JOR', and 'Bognor Regis, UK'. At the bottom, a banner reads 'Bonjour from Paris!' and includes a map of Paris with a red pin on the Eiffel Tower. Text next to the map says: 'EarthCam and affiliate, Paris Apartment, invite you to experience the "City of Light" with this live streaming webcam. View the HD video stream of the Eiffel Tower and feel like you're in the heart of Paris.' The 'Paris Apartment' logo is also present.
