

## Famous Faces, All-Day, Everyday

December 2, 2013, 2:36 PM by Andy Graning

KEYSTONE, SD -

You can now get a live view of Mount Rushmore anytime of the day or night.

A live web cam of the famous faces went up over the Thanksgiving holiday.

You can also zoom in and out of the monument and pan from side to side.

The shot is brought to you by a company called [EarthCam](#), which offers shots of famous places around the world.
