

Stunning Time-Lapse Video of One World Trade Center Construction

By Noel Sheppard | September 11, 2013 | 16:45

Just in time for the 12th anniversary of the 9/11 attacks, the folks at [EarthCam](#) have released an absolutely stunning [time-lapse video](#) of the construction of One World Trade Center.

The following begins October 2004 and ends this month:

For those unfamiliar, EarthCam “is the global leader in providing webcam content, technology and services. Founded in 1996, the company’s expertise includes delivering millions of images daily and developing technology to manage camera networks worldwide.”

Bravo to all involved in the creation of this stunning video.
