

## Shrine Offers Live Webcam of Construction

*By Orthodox Christian News in Orthodox News Sep 28, 2015*

Have you been curious about the construction of the St. Nicholas National Shrine? Starting today, you can watch the live webcam from [EarthCam!](#) It will allow you to take a first-hand look on the site where the St. Nicholas National Shrine will be built. You can also see a live view of the National September 11 Memorial and Museum from the 9/11 Memorial web site.
