First time and return visitors to Kauai now have a new resource available to them to help choose a favorite side of the island to stay and a Kauai vacation rental. Two recently produced 3-minute Kauai videos from The Parrish Collection Kauai, hosted by company owner Jonathan "JP" Parrish, shows visitors the most unique places on North Shore Kauai and South Shore Kauai.

Spectacular scenery is presented in both videos and original footage never seen before. Filming was recently completed at world renowned Kauai beaches like Polihale, picked by Travel and Leisure as one of the world's best secluded beaches, and Hanalei Bay, frequently named one of best beaches in America.

South Shore Kauai Video

Scenes include the splendid Poipu Beach shoreline and upcountry Waimea Canyon with its vibrant red colors and unforgettable views of the Kalalau valley. A variety of oceanfront Poipu rentals are presented from elegant homes along the famous coast to distinguished Kauai condos and Kauai resorts. The newcomer to the scene, Kukui'ula Club Cottages, is featured with views from inside the ultra-luxury Kauai cottages.

Majestic views of the Na Pali Coast, famous Queens Bath with its lava rock pools, Kauai golfing on the Prince Course and many other Kauai attractions are previewed. A selection of Princeville rentals are featured including Hanalei Bay Resort and its iconic view of Bali Hai. Visitors are also shown charming Kauai cottages fronting magnificent Hanalei Bay and taken on the scenic drive along historic one lane bridges to remote Kauai beaches.

"We plan more videos this year and our Kauai blog offers additional tips, popular Kauai deals and things to do on Kauai," commented JP Parrish.

Also used frequently by their guests is the new [Kauai Webcam](#) with live views of the Poipu Beach coastline, and picked by [EarthCam](#) as one of the top 25 most interesting in 2012.
