

## Webcam gives the world a creepy glimpse of JFK assassin's view

Nov. 22, 2013 3:20pm Meredith Jessup

EarthCam has teamed up with the Sixth Floor Museum at Dealey Plaza to offer "the only live view in the world available from the Sniper's Perch."

The webcam is set up on the southeast corner of the former Texas School Book Depository building from which Lee Harvey Oswald allegedly fired the fatal shots that killed President John F. Kennedy and seriously wounded Gov. John Connally.
