

Landmark Amman hosts Amman's Earthcam

Jordan: Sunday, March 10 - 2013 at 13:10

Landmark Amman Hotel continues its support of the tourism sector in Jordan by hosting one of Jordan's 5 EarthCams.

The EarthCam is placed strategically on the 13th floor, giving a unique view of the 3rd circle and surrounding areas thorough the eyes' of Landmark Amman.

In coordination with the Jordan Tourism Board (JTB), and EarthCam Inc., the EarthCam was installed to promote Jordan's capital, and offers dynamic views of the heart of Amman from one of the city's most historical hotels.

By hosting the EarthCam, Landmark Amman Hotel renews its vow to support tourism in Jordan through promoting it as a unique and diverse destination that meets the needs of business and leisure travelers alike.

Mr. Ibrahim Karajeh - Landmark Amman's General Manager, said, "We at Landmark Amman Hotel believe that the hospitality sector plays a significant role in supporting and developing the tourism sector, and we are committed to fulfill our part."

Karajeh added, "Choosing Landmark emphasizes the strategic location of the hotel and highlights the breathtaking views from our top floor."

The EarthCam is placed strategically on the 13th floor, giving a unique view of the 3rd circle and surrounding areas thorough the eyes' of Landmark Amman.
