

Daruvar live cam recognized by EarthCam

03.12.14. - 14:00 Croatian Times

A live camera in the northern Croatian town of Daruvar was chosen among the top ten in the world for March by **EarthCam**, the website that broadcasts live from web cameras positioned around the world. The Daruvar live cam could be seen here: <http://www.livecamcroatia.com/kamere/bjelovarsko-bilogorska-zupanija-web-kamere/daruvar-trg-kralja-tomislava-turisticka-web-kamera/> Berislav Vahcic who placed the Daruvar web cam announced to the Croatian Times his company will soon place ten new live web cameras throughout Croatia.

The screenshot shows the EarthCam website interface. At the top, there is a search bar and navigation links. Below the header, a section titled "Top 10 Cams" features a large video feed of a town square in Daruvar, Croatia. A yellow banner above the video reads "WINNER of EarthCam's TOP 10 CAMS Mar 2014". To the right of the video, there are several sidebar widgets: "Live View Of Your Mouse", "Free Webcam Chat", "3 Veggies keeping you fat", "Arab Chat - Live", and "HD Chromebook 11". Below the video feed, there is a weather widget for Daruvar, Croatia, showing a map and current weather conditions. The bottom right corner of the page features the "Daruvar web cam" logo and the text "Webcam hosted by: Daruvar web cam".
