

VIDEO: FIVE YEARS OF CONSTRUCTION OF PANAMA CANAL EXPANSION

What I learn?

August 30, 2016

It is discussed in the practical guide inmoley.com infrastructure engineering. Earthcam has released a video Timelapse of the construction of the Panama Canal showing progress March 2011 to June 2016. The progress from March 2011 to June 2016 in just 2 minutes with high-definition photos and panoramic images.
