

## Time-Lapse: 10 years of rebuilding the Twin Towers

June 2014 - Written by Vincent Lespagnol

Brian Cury, the founder of [EarthCam](#), a development company cameras placed cameras on the construction site of the September 11 Memorial. He has filmed the famous Ground Zero from 2004 to 2014. And the construction of the memorial is summarized in 2 minutes 40 video timelapse. "This movie memorial honors the victims of September 11, 2001 and for their families and friends. Today, these cameras still filming," says the author of this video.

*French Translated using Google Translate*

*Fabulous video works featuring images from 10 years of building the memorial to the victims of September 11.*
